BOOZE OR MEDICINE?

Which will you have? If a woman suffers from one of the delicate ailments peculiar to her sex it will be well for her to know that Dr. Pierce's Favorite Prescription is the only remedy which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not the delusive exhilaration from a tipping beverage, which the system reacts into a worse condition than before. It may be a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and best of all, they are lasting. It's an honest medicine—not a beverage.

"I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Smith, of 88 East Madison Street, Mount Pleasant, Iowa. "I have been having very poor health all winter. I doctored with our family doctor but was relieved only while taking the medicine. I took Dr. Pierce's medicine several years ago. I knew it was good for me, but I had only one bottle and am gaining strength very fast. I could not eat nor sleep when I began taking the 'Favorite Prescription.' Heart trouble and I had cold and numb spells till my heart would almost stop beating. But now I feel like a new woman and I am taking your medicine. If I continue with your treatment an positive I will be cured."

Every suffering woman in this land should write to Dr. Pierce and learn how certainly he can help her to health and strength. It costs nothing to write and receive entirely free the advice of one of the most experienced physicians in this country. His great thousand-page book, "The Common Sense Medical Adviser, in stiff paper covers, will be sent free for 21 one-cent stamps the bare cost of mailing, or send 41 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

These ORIGINAL Little Liver Pills, first put up by old Dr. R. V. Pierce over 40 years ago, have been made of purely vegetable, concentrated and refined medicinal principles, extracted from native American roots and plants. They speedily relieve and cure foul, torpid and deranged stomachs, livers and bowels and their attendant distressing ailments. One or two a laxative, three or four a cathartic.

Don't allow the dealer to insult your intelligence by offering his own remedy to you instead of this well-known preparation of Dr. Pierce.

GET HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuel, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c in stamps for sample to the Herpicide Co., Detroit, Mich. E. S. Leadbeater & Sons, Special Agents.

"LOST TRIBES OF ISRAEL."

New York yesterday entertained an angel unawares. And the angel had 82 followers, whom he is leading from Australia to Benton Harbor, Mich., for the millennium, 10 years hence. They are, so say themselves, the Lost Children of Israel, who found themselves in Australia and have come home to America for the approaching millennium.

When the angel, who also calls himself Benjamin, descended to earth from the North German Lloyd steamship Princess Irene with all his followers—men, women and children—he had to submit to the jills of the customs examination, which even the flesh of angels is heir to.

The women wore necklaces of pearls and brooches of sapphires and diamonds. As the Lost Tribes of Israel—they are not Jews—think it is not according to the Bible to wear a last name, the visitor had to ask for Benjamin just as familiarly as "if he was his long-lost brother."

"Are you Benjamin?" a correspondent demanded, tapping the leader on the back.

"I am Benjamin," he answered, solemnly.

"Benjamin," pleaded the visitor, "tell me of your religion."

"My son," answered Benjamin, "I am gathering together the Lost Tribes of Israel. I am leading them to Benton Harbor, Mich., where we shall await the millennium, which is near at hand. We are living in the eleventh hour, and before the eleventh hour is ended 144,000 of the children of Israel will gather about me and be saved in the body. That will be soon, though it will take about 10 years yet to clean the trouble out of the world."

"Before the millennium can come seven angels must appear to the world. Six have already appeared and passed away. Benjamin, the seventh and last, is now on earth. He will lead the children into the promised land—the new Garden of Eden on earth."

"Benjamin is an angel now living?" I asked.

"Yes, verily."

"But you are Benjamin? Are you an angel?" I asked.

"I am an angel," he murmured. "I was born in Kentucky. I knew I was an angel first when I divined the mystery of the life of the body. The body is immortal if the soul obeys the commandments. Enoch and Moses knew immortal life without having suffered death."

"Do you believe that you will never die?"

"I will never die," answered the angel Benjamin.

"Benjamin, I understand you have a wife, Mary, where is she?"

"Here," He pointed casually to a slight woman, whose neck was covered with three strings of pearls, but who looked none the less like an uniformed Salvation Army officer.

"Is she an angel, too?"

Mary spoke out to clear her own mystery.

"We are one flesh," she said. "Man without woman, husband without wife exists not. We are both the same angel."

The Lost Tribes are on their way to Benton Harbor, Mich., where they say 400 members of the sect already are established. They call themselves Children of Israel, and are vegetarians. The men wore long hair and beards. They profess to believe in the saving of the mortal body as well as the soul.

The Israelites explained that they were getting together now, so as to be prepared to ascend to heaven together in August, 1916, when they believe the end of the world will occur and Satan will be overpowered and put in bondage. They aver that only one tribe of Israel, that of Judah, is now lost, and they expect to find that tribe before the end of the world.

Assaulted and Choked to Death.

Assaulted, then choked to death, and her body cast over a steep declivity on Chaplin Hill, within view of her home and the city of Wheeling, W. Va., was the late of Hulda Schubart, aged 19 years, daughter of a dairyman, Charles Schubart. The girl left home Monday morning at 7 o'clock to walk down the winding, isolated road from her father's dairy to Wheeling, a half-mile distant. That was the last seen of her in life. Yesterday afternoon her body was found by her lover lying, rain-soaked and bedraggled, six feet below the road. Her neck was discolored and marks of powerful fingers on the white flesh were easily found. Later investigation led the police to believe that before death Miss Schubart had been maltreated. Although confident the girl was murdered, the police and her parents are unable to suggest a clue to the identity of the criminal. She was to have been married in a short time, and her tragic fate has angered the whole city. It is evident she was murdered Monday, perhaps by a gang of vagrants known to infest the hills whenever the weather permits.

Tumors Conquered Without Operations

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in Cases of Mrs. Fox and Miss Adams.

Fannie Fox and Miss Luella Adams.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by excessive menstruation accompanied by unusual pain extending from the ovaries down the groin and thighs.

If you have mysterious pains, if there are indications of inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound right away and begin its use and write Mrs. Pinkham of Lynn, Mass., for advice.

Read these strong letters from grateful women who have been cured:

Dear Mrs. Pinkham:— (First Letter.)

"I am looking over your book I see that your medicine cures Tumor of the Uterus. I have been to a doctor and he tells me I have a tumor. I will be more than grateful if you can help me, as I do so dread an operation."

Fannie D. Fox, 7 Chestnut St., Bradford, Pa.

Dear Mrs. Pinkham:— (Second Letter.)

"I take the liberty to congratulate you on the success I have had with your wonderful medicine. Eighteen months ago my months stopped. Shortly after I felt so badly I submitted to a thorough examination by a physician, and was told that I had a tumor on the uterus and would have to undergo an operation."

"I soon after read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed, the tumor is entirely gone. I have again been examined."

Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's Ills.

Inflammatory Rheumatism Cured.

William Shaffer, a brakeman of Denison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clown." For sale by Gibson & Timmerman and W. F. Creighton & Co.

A Dinner Invitation.

Watkins, Lesbury, Ky., says: "I can testify to the efficacy of Kodol in the cure of Stomach Trouble. I was afflicted with Stomach Trouble for fifteen years and have taken six bottles of your Kodol Dyspepsia Cure, which has entirely cured me. The six bottles were worth \$1.00 to me." Sold by all druggists.

Nothing will cure indigestion that doesn't digest the food and give the stomach a rest. It isn't necessary to starve yourself in order to rest your stomach—take Kodol Dyspepsia Cure. It will digest any quantity of all the wholesome food you want to eat while your stomach takes a rest—rejuvenates and grows strong. This wonderful preparation is justly entitled to all of its many remarkable cures. Sold by all druggists.

There is one rational way to treat nasal catarrh: the medicine is applied direct to the affected membrane. The remedy is Ely's Cream Balm. It restores the inflamed tissue to a healthy state without drying all the life out of them and it gives back the lost sense of taste and smell. The sufferer who is tried of vain experiments should use Cream Balm. Druggists sell it for 50 cts. Ely Brothers, 56 Warren Street, New York, will mail it.
